

Standard Leak Detection Systems

Standard Leak Detection and Overfill Alarm System	
LU3	Controller (LU3 shown) available in 1,2,3,4,6 and 9 channels
L-1-*	Hi level sensor (up to 118") *denotes length
LS-ASC	sump sensor or DW sensor for steel tanks 8' and under
LWF-*	doublewall fiberglass sensor *denotes tank diameter
LWS	doublewall steel sensor
RA-*	Overfill remote Annunciator *available in multiple channels (RA-1 shown)

Product Distinguishing Leak Detection Systems

Product Distinguishing Leak Detection and Overfill Alarm System	
LPD	Controller (L1PD2 shown) available in 3, 6 & 9 channels
L-1-*	Hi level sensor *denotes length
PDS	sump sensor or DW sensor for steel tanks 8' and under
PDWF-*	doublewall fiberglass sensor
PDWS	doublewall steel sensor
L-R-1	brine sensor
RA-*	Overfill remote Annunciator available in multiple channels (RA-1 shown)
